

Achievements Shopping List

It's time to do a little shopping for your AAF Club! In order to enter the Club Achievements competition, you'll need a few basic materials, available at your favorite office supply store (or just click the links provided to buy online!)

This handy list contains everything you need (aside from your printed narrative and exhibits of course) for EACH book you plan to enter:

1) ONE INCH (1") White Binder

While the rules state that your binder can be "up to 1.5 inches thick", this is a very strict requirement, so a standard 1.5 inch binder (the size is based on the rings, not the overall thickness) could cost you some serious points. **Go with 1" and win.**

Office Depot - est. \$2.99 - <http://www.officedepot.com/a/products/729525/Wilson-Jones-Basic-Round-Ring-39percent/>

2) 8.5" x11" Sheet Protectors (50 count)

While the rules don't technically *require* your pages to be in sheet protectors, this is a "tips of the pros" kind of thing that will help your chances significantly. Sheet protectors keep your book pristine, well organized and easy to navigate for the judges. Feel free to use double-sided pages or insert "front and back" in the same sheet to conserve. *Note the number of protectors needed will vary based on the amount of Exhibits in your book.*

Office Depot - est. \$4.99 - <http://www.officedepot.com/a/products/491703/Office-Depot-Brand-Non-Glare-Standard/>

3) Extra-Wide Divider Tabs (Set of 5 or more)

These are crucial for keeping your book well organized for the judges. Separate your Exhibits using these puppies and you'll have the judges browsing your exhibits in-context for a fully cohesive presentation. ("See Exhibit A"). The big thing to watch out for here is the "**Extra Wide**" designation. Without that, your tabs will be lost in the sheet protectors and won't work at all.

Office Depot - est. \$1.75 - <http://www.officedepot.com/a/products/349350/Avery-Worksaver-Extra-Wide-Big-Tab/>
